Dear Maria,

May I thank you, and all involved in the Mad March Weekend, most sincerely on behalf of everyone at Bridlington Station of the Royal National Lifeboat Institution for the kind donation of £80 arising from your visit to Muntons Maltings. It is gratefully received.

Our new building at South Beach is very impressive. It brings under one roof the Shannon and Inshore Lifeboats, plus associated crew facilities, also Lifeguard equipment and facilities. In addition, there is greatly enhanced management accommodation and a shop. Our new All-Weather Shannon Class Lifeboat the 'Antony Patrick Jones' arrived on 12 November 2017.

2017 proved to be yet another busy year, with the crew making 35 operational launches, 15 for the All-Weather Lifeboat 'Marine Engineer' and 20 for the Inshore Lifeboat 'Windsor Spirit'. It was also a busy year for our RNLI Lifeguards. So far in 2018 we have had one Operational Launch for the 'Antony Patrick Jones'.

Once again, thank you,

Dave Garnett
