

Northamptonshire Country Link programme 2024

Welcome to our group 😊

My name is Claire and I am the organiser for the group

I am best contacted by email at countrylinknorthampton@gmail.com and I will reply to you as soon as possible.

As a local and National group our Subs are £15 per annum. We request that they are paid after the initial meeting if the person would like to continue to meet with the group. (More information from Claire)

Some activities are payable at time of booking. This will be non-refundable unless you can find someone who can take your place and support the payment in your absence. This will be detailed in the programme.

The pub meets and quiz nights require a table booking. Please confirm your attendance one week in advance so that this can be supported.

We also request that you confirm attendance to Claire, in advance, for any activity in case of any last minute changes

We are a small, local group and just re-establishing after Covid. I believe in an inclusive club, inviting ideas from members of the group, and encourage you to support the activities you are interested in bringing to the group.

We join the National Country Link Group for the National weekends and other groups for events throughout the year.

Through the time I have been part of Country Link, both National and in Northamptonshire, I have made many friends and some lovely memories

I would encourage you to come along and meet the gang if you feel this could be for you. My idea of being an inclusive group is that you shouldn't have to miss out on the things in life you would like to do because you are on your own. Country Link provides the opportunity for new friendships and adventures. We welcome single people as well as couples
